All new candidates for the team including Freshman should report to the Atkinson practice green with your clubs by 8:00am Friday and be ready to hit balls soon after. We will be at the driving range for approximately 30 minutes. Unfortunately, not all golfers may be able to play a round of golf as part of tryouts. Those golfers determined to have the best swings on the range will be invited to continue the tryout process by playing 18 holes on the Par 3 Course immediately after the driving range (8:45am) and a possible second 9-hole round on the par 3 course on Saturday at 7:45am. There will be no cost for the driving range. Players should bring \$27 to cover the cost of playing 18-holes on the Par 3 course Friday should you be selected to play. If you are then selected to return and play on Saturday for the 9-holes on the Par 3 the cost will be \$15. The plan is to golf rain or shine if possible.

All members of last year's team will report to Atkinson Practice green on Friday and Saturday to play 18 holes on the par 3 and then 9 holes on the Par 3 course the following day. Friday players will meet at 8:30am(tee times begin at 8:45am) and Saturday at 7:45 am (tee times begin at 8am). The cost for both rounds of golf is \$27 and \$15 respectively and should be brought to the course each day.
